NOW INSTALLED AT TOLEDO COURSE

George W. Brown Has Largest Number, Including Marnut II and  
Sawtelle—Walter Snyder of Detroit Has Devised New Plan to  
Decide Blue Ribbon Stake—Major Muscovite a Good Trotter.

George Castle, the theatrical manager, shipped his string to Toledo last week, and if all reports are true they will give a good account of themselves over the half-mile rings in the East.

George W. Brown has the biggest string at the track, including Marnut, 2:35, and Sawtelle, owned by L. J. Pentecost. The former has stepped a mile in 2:15, the last quarter in 33, and acts as if he would be good in his class this summer. He has also Flash Lightning, 2:12, Alderman Hunter's fast trotter, but he has only been going slow miles with him as yet. Josh, 2:30, J. M. Roach's pacer, looks fit and will no doubt give a good account of himself when the bell taps. Mr. Brown has also M. B. Craft's promising pacer, Prussia Pointer, that ought to be good in the slow classes, as well as Pentecost's old-time matinee favorite, Sawtelle. He has a chestnut 3-year-old filly by Snicker that is one of the best made things I have seen this season, and next year ought to be a sensational pacer.

M. Hayes has his old quartet, Mollara, 2:17; Green Arthur, 2:25; Gipsy King, 2:25; and Maud H., 2:25. The first two have been racing miles in 2:25 and 2:32, with quarters close to a 26 gait. Gipsy King has trotted a mile in 2:23, with the last quarter in 33, while Maud H. has trotted in 2:20 with a quarter in 37. All four are going nicely, and act as though they will earn their oats this coming fall.

Otto Zappel has some good green ones, including Cleo M., a 3-year-old chestnut mare owned by Joe Hartford, that acts like a trotter. Logan, a 3-year-old colt, the hobble pacer, Oily Olson, by Muscovite, that can strike a two-minute clip in spots, and the promising Moko colt, called Magna Vista, that looks a trotter in good style. George A. Mariner has beside his own promising trotter, Louise Allen, by Stamboul, Lou Freeman's 3-year-old pacer mare by Attorney Jr., that has been a mile in 2:31 and a quarter in 37, also a couple of green pacers.

Among the others at the track are Charles Dryden's Galt Gamblers, J. D. Collier's Crank and Buffalo Bill, Dave Leary's trotter Finemarch, and the pacer Nellie W. J. J. Vail's William Guy, a very fast trotter by Guy Wilkes.

Secretary Casey says that while they had to declare off the stake races, on account of lack of entries, prospects are nevertheless good for an excellent meeting the second week in July. The entry list may not be very heavy, but the management is determined to pull off the programme as now arranged, and which is given below, if they get any entries at all.
